3. Code of Conduct

BSS recognizes the welfare and interests of children and young people are paramount in all circumstances. It is the responsibility of all adults, children and young people to treat each other with dignity, respect, sensitivity and fairness regardless of age, ability or disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, socioeconomic status, sex or sexual orientation. BSS wants all our athletes to have a positive and enjoyable experience in a safe and athlete centered snowsport environment.

Squad Members shall observe the following:

- 3.1 Be supportive and committed to other team members and respect officials, opponents and accept decisions.
- 3.2 Not use bad language.
- 3.3 Not use the internet, phone or other electronic device to make derogatory remarks about other people involved in snowsport, or teams, or anything related to snowsport that could bring the sport into disrepute.
- 3.4 Be aware that any behaviour that may adversely affect another member of the Squad will not be tolerated. Bullying either face to face or online, will not be tolerated. The same applies to any behaviour that may bring BSS or the nation itself into disrespect.
- 3.5 Report any grievances to a coach, team manager, safeguarding lead, other staff member or Discipline Chair and expect these to be resolved informally, or where necessary via the BSS Grievance Policy.
- 3.6 Smoking by Squad Members is prohibited.
- 3.7 British Ski and Snowboard has a Dry Camp Policy, which means during the camp no Squad Member is allowed to drink alcohol or to purchase or knowingly have alcohol in their possession without the consent of the Team Manager/Head Coach. This policy may only be relaxed for celebrations or other occasions involving (in either case) the Squad as a whole, at the discretion

of the Team Manager.

3.8 Not use or condone the use of illegal or prohibited drugs. The athlete must further acknowledge that British Ski and Snowboard, the British Olympic Association, the Sports Council and the International Ski Federation (FIS) have the right to conduct random, without notice dope testing, both during the course of and outside competition, and that he/she has read and will comply with the specific rules on Doping and Prohibited Drugs.

3.9 Not take unnecessary risks. The athlete is reminded that dangerous, reckless, foolhardy or negligent conduct, on or off the hill, will contravene FIS guidelines and may create a serious liability situation. This is particularly relevant where racers are in close proximity to the skiing/snowboarding public. 3.10 Be sensitive to local codes and customs. This is a matter of particular importance at the international events where squads and team members are present as guests of the host nation.

3.10 I understand that if I do not abide by BSS rules I may be subject to disciplinary action.

6.1.3 An action plan shall be produced by the Chief Executive (such plan if reasonably possible to have the consensus support of all persons attending the meeting) with a view to resolving the issues of concern. The Action plan shall set out a clear timetable, objectives and performance indicators (as appropriate) in order that all involved shall be under no misunderstanding as to the steps required to be taken.

6.1.4 Should there be any material failure to achieve any performance indicators within the timetable specified then the British Ski and Snowboard Board of Directors may consider addressing the matter in accordance with 6.2 below.

6.2 The British Ski and Snowboard Board of Directors (or a person acting under the authority of the Board of Directors) may terminate Squad status of a Squad member by giving written notice if the Squad member shall be guilty of gross misconduct or shall commit a serious or persistent breach of this Code or of any of the rules or in accordance with paragraph 6.1.4 above.

Any appeal must be made in writing within ten working days from receipt of written notice of termination of the Squad Member's Appointment.

Procedures for an Appeal hearing

Procedures at the hearing will be at the discretion of British Ski and Snowboard. A Squad member will be advised, normally not less than three working days in advance, of the applicable procedures.

If on appeal the case is considered to warrant a lesser penalty or to be unproven, the Notice of termination may either be reduced to a lesser penalty or rescinded.
